Board of Trustees
The Fistula Foundation

We have audited the accompanying statements of financial position of The Fistula Foundation (a California nonprofit public benefit corporation) as of December 31, 2009 and 2008, and the related statements of activities, cash flows, and functional expenses for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Fistula Foundation as of December 31, 2009 and 2008, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

THE FISTULA FOUNDATION
Notes to Financial Statements
December 31, 2009 and 2008

1. Nature of Activities and Summary of Significant Accounting Policies

(a) Nature of Activities

The Fistula Foundation (Foundation), formerly called “American Friends Foundation for Childbirth Injuries,” was founded in 2000 to raise awareness of and funding for fistula repair, prevention, and educational programs worldwide.

(b) Basis of Presentation

The financial statements are presented on the basis of unrestricted, temporarily restricted and permanently restricted net assets.

(c) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting.

(d) Temporarily restricted net assets

Temporarily restricted net assets represent contributions whose use by the Foundation is limited by donor imposed stipulations that can be fulfilled and removed by actions of the Foundation pursuant to those stipulations or by the passage of time.

(e) Cash

Cash includes depository account balances other than those held temporarily as part of the long-term investment portfolio. The accounts are insured by the FDIC up to \$250,000 in 2009 and 2008 for each bank. At December 31, 2009 and 2008, the Foundation had uninsured cash balances of \$508,412 and \$960,708 respectively.

(f) Donated Goods and Services

Donated services are recognized as contributions in accordance with SFAS No. 116, *Accounting for Contributions Received and Contributions Made*, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation.

THE FISTULA FOUNDATION

Notes to Financial Statements

December 31, 2009 and 2008

1. Nature of Activities and Summary of Significant Accounting Policies, Continued

(f) Donated Goods and Services (continued)

Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Foundation reports expirations of donor restriction when the donated or acquired assets are placed in service as instructed by the donor. The Foundation reclassifies temporarily restricted net assets to unrestricted net assets at that time.

(g) Functional Allocation of Expenses

Expenses are charged to programs and supporting services on the basis of periodic time and expense studies as well as estimates made by the Foundation's management. General and administrative expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Foundation.

(h) Income taxes

The Foundation is exempt from paying Federal and state income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes in the accompanying financial statements.

(i) Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statements of financial position. Unrealized and realized gains and losses are included in the statements of activities.

THE FISTULA FOUNDATION
Notes to Financial Statements
December 31, 2009 and 2008

1. Nature of Activities and Summary of Significant Accounting Policies, Continued

(j) **Financial Instruments and Credit Risk**

The carrying amounts of financial instruments approximate fair value based on quoted market prices or discounted cash flow analysis for cash equivalents and other financial instruments. The Foundation is subject to some credit risk through short-term cash investments, which are placed with high credit quality financial institutions, both directly and indirectly, through various brokerage firms.

The Foundation has significant investments in stocks, bonds, and mutual funds held by investment managers engaged by the Foundation and is, therefore, subject to concentrations of credit risk. Investments are made by the investment managers and the investments are monitored by the Board of Directors. Though the market value of investments is subject to fluctuations on a year to year basis, management believes the investment policy is prudent for the long-term welfare of the Foundation.

(k) **Property and Equipment and Depreciation**

Property and equipment is recorded at cost. Depreciation of property and equipment is provided over the estimated 3 to 7 years useful lives of the respective assets on a straight-line basis.

2. Investments

The following represents the original cost basis, unrealized gains and (losses) and fair value of investments as of December 31, 2009 and 2008. The fair value of investments is determined based upon quoted market prices.

		2009		2008	
		<u>Cost</u>	<u>Market</u>	<u>Cost</u>	<u>Market</u>

4. Temporarily Restricted Net Assets

There were no temporarily restricted net assets as of December 31, 2009 or 2008

THE FISTULA FOUNDATION
Notes to Financial Statements
December 31, 2009 and 2008

5. Retirement Plan

The Foundation maintains a deferred annuity retirement plan under Section 403(b) of the Internal Revenue Code for all eligible employees. The Foundation may make discretionary contributions to the plan. The Foundation contributed \$10,660 and \$10,408, to the plan for the years ended December 31, 2009 and 2008, respectively.

The Foundation also maintains a deferred compensation plan for a key employee under which annual contributions of \$10,000 and \$10,000 were made for the years ended December 31, 2009 and 2008 respectively.

6. Change in By-laws

The Foundation broadened their mission 2009 to permit them to support fistula treatment worldwide. At that time, the Foundation Board designated \$4,115,869 specifically for the benefit of the Hamlin Fistula Hospital, and the composition of the unrestricted net assets as of December 31, 2008 has been revised to reflect this designation.

During the current year, the Foundation made additional grants to the Hamlin Fistula Hospital so as to reduce the board designated fund to \$3,451,782 as of December 31, 2009.
